FUTURE PLAN

The college has developed and upgraded itself a lot within last forty years and some new curriculum and support services have been added with its regular activities, but yet a lot to do. We are very keen to open UG honours courses in **Botany, Zoology, Physiology, Micro-Biology**, PG courses in **Nutrition, Geography, History, Music, Education, B. P. Ed.** and certificate courses in **Physiotherapy** and **B.Ed.** for girl student in near future. We also need a separate **power house, central laboratory, auditorium, research centre and museum hall**. We are in very urgent need to extend our playground both for students and boarders. The construction of a full-fledged Staff Quarter, Staff Common Room, and Alumnae Association Building are also in our priority list of our future plan. Hopefully we shall be able to achieve the same in near future. We strongly believe that UGC, State Govt. and other philanthropic organizations and off course our well-wishers will come forward and extend their generous support to this end so that we can make smart stride towards autonomous status first, and then deemed-to-be-university.

From the IQAC, Co-ordinator's Desk

This is to inform that our college had already been NAAC Re-Accredited with 'B' Grade on 09.09.2019 by the NAAC Peer Team.

CLASS TEST FOR INTERNAL ASSESSMENT

SWACHHATA AND RESOURCE MANAGEMENT:

We firmly believe in the presumptive truths 'cleanliness', (swachhata) is next to 'godliness' and 'sustainable development'. So we have developed viable infrastructure for no plastic zone, campus drainage system, clean campus, purified drinking water facilities etc. in our college. With the funding of the State Government we also have installed solar lights, rain water harvesting unit, rain water recharging unit, waste management system in our college for proper use of available resources.
